# Texas Microelectronics Corporation

+30 years of High Reliability Electronic Manufacturing

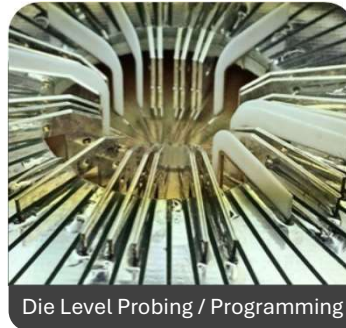

Texas Microelectronics is a global leader in manufacturing high temperature high reliability custom hybrid circuits and multichip modules. After receiving AS9100 certification and ITAR compliance TxMC has added manufacturing and testing for the Defense/Military and Aerospace Industries.

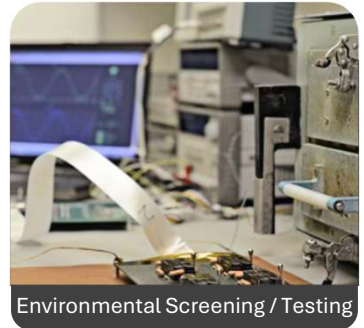

Custom Package Solutions

Engineering / Design

Die Level Probing / Programming

Environmental Screening / Testing

## Company Data

Texas Microelectronics Corporation  
1662 W Sam Houston Pkwy N  
Houston, TX 77043 USA

Veteran Owned – Small Business  
Cage: 7Q057  
NAICS CODE – PRIMARY: 334418

**ITAR**  
REGISTERED

## Services

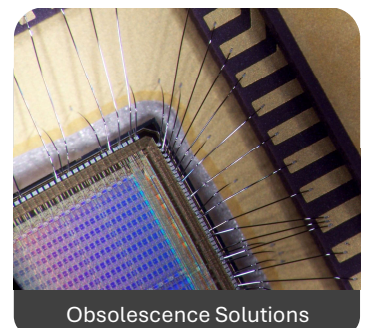

- Custom Engineering & Packaging
- Environmental Testing
- Helium Leak Testing
- Long Term Die Banking / Storage
- Circuit Board and Wire Harness Assembly
- Ink & Laser Part Marking

## Capabilities

- High Temp Design Solutions to +230C
- Electrical Testing -65C to 250C
- Design for High Shock / Vibration
- Product Life Cycle Management
- Obsolescence Solutions – Die Harvesting

Wirebonding

Obsolescence Solutions
